Stay three nights, stay four (and send a child to school)

July 6, 2011

By Hipster Travel Guide Staff

We're always on the look out for a good deal.

Ka'ana Boutique Resort in Belize is now offering a package that allows you a fourth night at the resort for \$18 and the money will cover a child's school tuition for a year.

The Adopt a School Summer package goes from now until November 15. Rates start at \$786.

While the resort is about 70 miles outside of Belize City, it's only a few miles away from the Succotz Primary School, which Ka'ana Resort has made a commitment to help support. (Supporting something like this only helps the community on the whole, which the resort, despite its exclusive locale.)

For complete details go to the resort's [website](#) and if booking use the promotional code KAASO.
