San Ignacio, Belize, June 2011 – This summer, Ka'ana Boutique Resort is putting a unique spin on the book "three nights, get the fourth night free" promotion with an added goodwill component. Guests can book a fourth night at the resort for just \$18, which goes towards the Adopt-A-School program, where the \$18 pays for an entire year of a child's school tuition.

The Adopt-A-School Summer Package runs now through November 15, 2011 with rates beginning at \$786. The four-night stay includes accommodations in the resort's first class Balam or Casita villas.

The Succotz Primary School is just ten minutes away from the resort and attended by children ages four through 13. Ka'ana Boutique Resort is committed to supporting the school's Scholarship Fund, Bathroom Rehabilitation Project, Sports Program and Nutrition Program in volunteering and donating locally. Offer cannot be combined with any other promotions.

With a perfect balance of luxury, adventure and relaxation, Ka'ana Boutique Resort is a haven for travelers seeking the ultimate Belizean experience. Located just 70 miles outside of Belize City, Ka'ana Boutique Resort offers 15 first class cottages, a swimming pool, gourmet restaurant and petite spa.
